Hi Kristen

FYI

This company has approached Ministers fairly recently and HNZ has declined their offer already as we have identified some issues with the type of decontamination they offer.

Good Morning,

The Minister has received the attached offer to demonstrate their methamphetamine decontamination processes.

We will be declining this offer and are wondering if this is something officials will be interested in attending.

If so can you please advise and I will inform Mr Geale that officials from Housing New Zealand will be in contact.

Thank you in advance
Kristen
