Hi all

Please note there is not a rise in vacant properties - in fact there's a decrease which is good. We are still analysing the data and hope to have some messaging and risks/ops identified in the next couple of days. We are not intending to publish these until they've been through Ministers' offices, with full context around them, so I expect they won't be published until at least next week. Hopefully by the time we meet tomorrow I'll have a bit more information.

And yes, I can provide an update on how we're responding to the MOH's decision to raise the threshold for meth.

Thanks all  
 Cass

Hi Everyone

Just to note ahead of tomorrow's meeting that I'd like to have everyone prepared to agree positions and actions re the following issues:

- MSD's social housing register report (due out Friday)
- HNZ's quarterly report - apparently showing a rise in vacancies (release date TBC)
- MOH recs to Standards NZ re meth contamination guidelines - and how HNZ plans to respond (if at all)

Please bring the most updated information you have, ideally already agreed between agencies and by your CEs etc.

Ministers are looking to agree their own comms actions within the next 24 hours so we don't really have time for any to-ing and fro-ing.

Thanks  
 Nicola

Hello everyone,

I've set this meeting fortnightly.

You can assume it will be at MSD on either level 1 or 2.

Given the same room is not always available - I will confirm a day or so beforehand which room we'll meet in.

Thanks  
 Dennis
