Just a heads up guys - attached is audio from the bridge run a short time ago - MoF got questioned on HNZ ending tenancies because of meth contamination/ findings - you'll note he had made some comment about HNZ reviewing cases (starts at the 2 min mark).

I'm not sure it's entirely accurate but he did have a conversation the other day with Andrew and Adrienne who confirmed some form of review was taking place.

Can you guys at HNZ please have a listen and come back to me with whether he was correct or not?

Cheers

N
